

NISSAN

TERRA

BEAUTIFULLY BOLD

Bond wherever you go

Turn every planned or unplanned journey into a full-on, family adventure, no matter what the activity.

The Nissan TERRA offers all-terrain tough, tech and family safety in a package that caters for something special to everyone, in every seat. Take the world on together, in the all-new Nissan TERRA: Ready For Anything.

ESCAPE THE ORDINARY

Bold design inside and out

The new Nissan TERRA reflects beauty, confidence and refinement from every angle.

Its sculpted body is daring as it is elegant; dynamic stylish chrome accents; low-profile aluminium roof rails and 18-inch alloy wheels to take on the world with confidence, and in style.

A

Quad LED Projector headlamps with signature LED DRLs

B

Sculpted body and stylish accents

C

Crisp LED tail lamps

D

Brilliance in every detail

E

Machine-finished 18-inch two-tone alloy wheels

FEATURES AND SPECIFICATIONS ARE SUBJECT TO CHANGE DEPENDING ON MARKET AND GRADE. PLEASE CONSULT YOUR LOCAL NISSAN DEALERSHIP FOR MORE INFORMATION.

ULTIMATE CONVENIENCE

Control with comfort

Embark on your daily adventures in unparalleled comfort. Expect a sleek driver cockpit and dashboard layout, with plush leather-appointed seats, and a leather stitched steering wheel and gear lever. Control all infotainment from the multifunction steering wheel and let NASA-inspired Zero Gravity front row seats assist in reducing fatigue on those longer journeys.

Multifunctioning steering wheel with 3.5-inch TFT display to stay in control with your eyes on the road

15W WIRELESS CHARGING

Unplugged but fully charged. Wireless charging allows you to stay connected without depending on a connection point.

AUTOMATIC DIMMING REAR-VIEW MIRROR

An automatic dimming rear-view mirror keeps the sun and bright headlights at bay for uninterrupted driving.

ELECTRONIC PARKING BRAKE

A leap from the traditional handbrake, a flick of a button activates the holding mechanism and electronically applies the brake pads to the rear wheels.

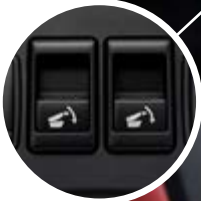

PUSH STOP START

Lock and unlock the doors and trunk by simply pressing the Request Switch on the door handle when you have your TERRA Intelligent Key on you. Then start or stop the car with a touch of a button for a seamless, keyless experience.

SPACIOUS INTERIOR

Premium comfort in every seat

The Nissan TERRA offers best-in-class interior space. Three rows with seven seats are arranged in an amphitheatre-style giving all passengers better visibility. Conveniences include a fold-out armrest with cupholders, climate control and multiple USB and 12V charging points offering something special in every seat.

QUICK ACCESS WITH SECOND-ROW SEAT RELEASE

With only a press of a switch from the driver's control, the second row seats fold and tumble so that passengers can enter and exit hassle-free.

INTELLIGENT INTEGRATION

Smart tech to stay connected

Stay connected at the speed of life in the all-new Nissan TERRA. With an impressively large 9-inch touchscreen display, your information, music, and contacts will always be right in front of you. Enjoy premium sound with an 8-speaker Bose® sound system.

Thanks to Nissan Intelligent Mobility, the TERRA keeps up with you and your tech, wherever your adventure takes you.

NISSAN CONNECT
Nissan A-IVI with
Android Auto™
and Apple CarPlay®

Places to be and people to see? Just ask Siri. Equipped with Siri® voice control, wireless Apple CarPlay® brings your contacts, favourite messaging apps, Apple Music playlists, Apple Maps and more on board with your TERRA.

With Android Auto™, you can keep your eyes on the road and hands on the wheel while using your voice to help you with your day. Ask Google to play your favourite song, navigate home, or respond to a text hands-free. Just say, "Hey Google" or long press the voice control button on your steering wheel.

CONFIDENT PERFORMANCE

The power to perform on any terrain

Whether it's rush hour traffic or pouring rain, count on the muscle, efficiency and safety you need to get you through it comfortably.

2.5ℓ DDTI INTERCOOLED
TURBO DIESEL ENGINE

SEAMLESS
GEARSHIFTING

Experience ultimate torque and efficiency in the 2.5ℓ DDTI Intercooled Turbo Diesel Engine. Combined with a 7-speed automatic or a 6-speed manual transmission, you'll be sure to have all the power and all the control for a thrilling driving experience.

POWER

140kW

TORQUE

450Nm

AUTO TRANSMISSION

7-Speed

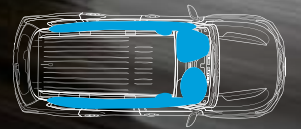

VEHICLE DYNAMIC CONTROL (VDC)

Seven sensors monitor driver inputs and vehicle motion, gently aiding the vehicle's ability to stay on the driver's intended path. Vehicle Dynamic Control helps control and limit both understeer and oversteer, maintains optimum traction and even applies brake pressure to reduce wheel slip on loose road surfaces.

ELECTRONIC BRAKE FORCE DISTRIBUTION (EBD) WITH BRAKING ASSIST (BA)

Reduce stopping distances in emergencies by up to 15% with Braking Assist. The TERRA detects panic braking and automatically increases pedal pressure for confident, controlled braking to avoid collisions at high speed.

SIX SRS AIRBAGS FOR ALL ROUND PROTECTION

Six SRS airbags protect your loved ones from all angles - the front, sides and on the windows. In case of heavy collision, they will automatically inflate to reduce the impact for the driver and those seated at the back.

OFF-ROAD TECHNOLOGY

Capability that is ready for new adventures

Tough engineering plus advanced technology shift your drive to a different scale. A durable suspension and a rigid fully boxed ladder frame resist bending and twisting to keep you moving over tough terrains. Add 800mm water wading depth and your crew is ready for anything.

SHIFT ON-THE-FLY 4X4

Going off-road? You'll need more grip. The TERRA's On The Fly 4x4 system allows you to instantly switch between efficient 2WD and the powerful 4HI. Navigate obstacles, deep sand, snow, mud, or your daily roads with ease.

ELECTRONIC LOCKING REAR DIFFERENTIAL

Need a little extra power to push forward? When 4LO isn't enough on a steep incline, flip the switch and the Electronic Locking Rear Differential will deliver equal power to both rear wheels to help boost traction.

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC)

Manage steep declines with HSA and HDC tech that automatically adjusts your speed and brake pressure to keep your drive controlled and safe.

LEADING DRIVE ANGLES

Impressive angles of approach (32.3°) and departure (26.6°), along with 225mm of clearance, gives the TERRA the capability to travel off the beaten path confidently.

Around View Monitor with Moving Object Detection and Off-Road Mode

Unlock the joy of confident driving with Nissan Intelligent Mobility features, and keep your loved ones safe in urban and remote environments.

AROUND VIEW MONITOR (AVM)

Four HD cameras monitor your surroundings to build a 360° bird's eye composite split screen view of your surroundings, for ultimate driving confidence.

AVM WITH MOVING OBJECT DETECTION (MOD)

Detects moving objects around the vehicle and proactively alerts the driver through audible and visual information by displaying a yellow frame where a moving object has been detected.

AVM WITH OFF-ROAD MODE

Activated in 4LO mode, the AVM looks out for hazards like potholes and cliff edges for safe navigation on treacherous terrain.

2nd and 3rd Rows Up
440mm
of flat luggage space

3rd Row Down
1 000mm
of flat luggage space

2nd and 3rd Rows Down
1 643mm
of flat luggage space

FEATURES AND SPECIFICATIONS ARE SUBJECT TO CHANGE DEPENDING ON MARKET AND GRADE.
PLEASE CONSULT YOUR LOCAL NISSAN DEALERSHIP FOR MORE INFORMATION.

LOADING FLEXIBILITY

Designed for versatility

The Nissan TERRA adapts to your needs. With the 60/40 split-folding second row and a 50/50 split third row, the TERRA gives you endless cargo-carrying options that takes the hassle out of packing and unpacking so that you can get the most out of your day.

Fold all the seats flat to reveal the longest flat luggage floor in this car segment.

Nissan's commitment to quality: To provide all customers with a consistently high level of quality, Nissan applies the same standards worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: First, the expectation of a smooth driving experience with complete peace of mind. Second, the intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. Third, the level of attentiveness and service during the sales process, and long after the sale is concluded.

Legal notice: Every effort has been made to ensure that the contents of this brochure is correct at the time of going to print (February 2022). This brochure may be produced featuring prototype or accessorised vehicles exhibited at motorshows and in accordance with the company's policy of continuously improving its products. Nissan South Africa reserves the right to change the specifications and the vehicles described and shown in this brochure at any time. Nissan dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan dealer to receive the most up-to-date information. Nissan's commitment to the environment

Nissan's environmental philosophy embraces people, vehicles and nature. In the pursuit of a sustainable mobile society, the Nissan Green Program aims to reduce the environmental impact of Nissan vehicles at every stage of the vehicle life cycle, while corporate activities address environmental challenges.

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future - moving us to a world that's safer, more sustainable, and exciting.
